Hello NERL,

Thank you to those who attended ADP training. As promised I've attached the presentation. I am also providing a list of the titles for priority actions that ORD plans to assist the Agency with in FY 2019. This list is for internal Agency use only so please don't share. I am providing it to you in case there is a topic you have expert experience with, and in case you would be interested in providing technical advice during development of the rule or guidance. Please contact me if you would like to have more information on any of these titles or if you would like to be nominated to serve on a workgroup.
